IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Joy for your upcoming cruise departing May 28, 2027. As part of our commitment to delivering a seamless and enriching experience, we've made an itinerary adjustment due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

Even the most thoughtfully planned sailings can occasionally shift course. While these moments aren't always expected, they often open the door to fresh ways of experiencing your vacation, new rhythms, new views, and a little more room to simply relax into the journey. We work closely with port authorities around the world to secure each call far in advance, but from time to time circumstances change and we're informed that space is no longer available.

As a result, we have updated your itinerary, including a revised port sequence and the removal of Skagway, Alaska. While one destination has changed, your voyage will continue to showcase Alaska's breathtaking scenery, remarkable wildlife, and unforgettable natural wonders, including a cruise through the magnificent Hubbard Glacier. Your updated itinerary is below.
