IMPORTANT INFORMATION
Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Joy for your upcoming cruise departing July 2, 2027. As part of our commitment to delivering a seamless and enriching experience, we've made an itinerary adjustment due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

Even the most thoughtfully planned sailings can occasionally shift course. While these moments aren't always expected, they often open the door to fresh ways of experiencing your vacation, new rhythms, new views, and a little more room to simply relax into the journey. We work closely with port authorities around the world to secure each call far in advance, but from time to time circumstances change and we're informed that space is no longer available.

As a result, we have made a few updates to your voyage, including a revised port sequence. You will now visit Sitka, Alaska in place of Juneau, offering the chance to experience a unique blend of rich Tlingit heritage, Russian history, stunning coastal scenery, and abundant wildlife. While your itinerary has evolved, your voyage will continue to showcase the remarkable beauty, wildlife, and scenery that make Alaska such an extraordinary place to explore. Your updated itinerary is below.
