IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Joy for your upcoming cruise departing August 6, 2027. As part of our commitment to delivering a seamless and enriching experience, we've made an itinerary adjustment due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

Even the most thoughtfully planned sailings can occasionally shift course. While these moments aren't always expected, they often open the door to fresh ways of experiencing your vacation, new rhythms, new views, and a little more room to simply relax into the journey. We work closely with port authorities around the world to secure each call far in advance, but from time to time circumstances change and we're informed that space is no longer available.

As a result, our visit to Juneau, Alaska, has been replaced with a visit to Sitka, Alaska. In place of Glacier Bay, your voyage will now include scenic cruising through Endicott Arm & Dawes Glacier, where a stunning fjord lined with towering granite cliffs, cascading waterfalls, floating icebergs, and the majestic Dawes Glacier creates an unforgettable backdrop for wildlife viewing and scenic exploration. While your itinerary has evolved, the breathtaking scenery and unforgettable moments that define an Alaska cruise remain very much a part of your journey. Your updated itinerary is below.
