**IMPORTANT INFORMATION**

Voyage Cancellation

Dear Valued Guests and Travel Partners,

As we look ahead to Winter 2027–2028, we're excited to expand the variety of Caribbean experiences available across our fleet. As such, we will be modifying Norwegian Joy's current deployment. While still sailing from Miami, she will offer a new lineup of longer, more immersive Caribbean itineraries, including 9 and 10-day Southern Caribbean sailings, along with select 3 and 4-day Bahamas getaways in between. These thoughtfully designed voyages offer a broader range of destinations and more time to enjoy the places guests love most. As a result of this new update, the February 14, 2028, voyage aboard Norwegian Joy, will no longer operate as planned and has been canceled. Travel partners are kindly asked to ensure impacted guests review this information.

While we know changes to travel plans can come as a surprise, they also give us the opportunity to offer voyages that bring even more of the Caribbean into each journey. Norwegian Joy's new Caribbean itineraries, featuring even more variety and discovery, will be available to book soon.

However, for guests considering alternative options, we're pleased to offer a range of sailings from Miami, including shorter getaways to Great Stirrup Cay and Nassau, Bahamas, as well as week-long Caribbean itineraries with visits to destinations such as the Dominican Republic. Each provides a distinct way to enjoy time at sea, while delivering the same elevated experience and thoughtful service you can look forward to throughout your journey.

**Alternative options:**

***Norwegian Luna***

February 13, 2028: 7-day Caribbean round-trip from Miami: Great Stirrup Cay & Dominican Republic

***Norwegian Aura***

February 12, 2028: 7-day Caribbean round-trip from Miami: Harvest Caye, Cozumel & Roatan
