**IMPORTANT INFORMATION**

**Itinerary Change**

Dear Valued Guests and Travel Partners,

We're delighted to welcome you aboard Norwegian Luna for your upcoming journey departing December 26, 2026. As we prepare to host you for an unforgettable voyage, we want to share an important update to your itinerary following newly revised port availability. Travel partners, please ensure that impacted guests have a chance to review the information below.

Even the most thoughtfully planned sailings can occasionally shift course. While these moments aren't always expected, they often open the door to fresh ways of experiencing your vacation, new rhythms, new views, and a little more room to simply relax into the journey. We work closely with port authorities around the world to secure each call far in advance, but from time to time circumstances change and we're informed that space is no longer available. As fellow travelers at heart, we understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

Due to recent updates, the timing of our visits to Harvest Caye, Belize, Costa Maya and Cozumel, Mexico, has shifted. As part of this change, we've extended our time in port in Costa Maya, Mexico, giving you even more time to explore Mexico's vibrant coastal charm, rich cultural heritage, and sun-soaked Caribbean coastline. While the cadence of each day will feel a little different, you'll still have plenty of opportunities to step ashore, explore, and make the most of each destination. Your updated itinerary is below.
