IMPORTANT INFORMATION Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Pearl for your upcoming cruise departing November 1, 2026. As part of our commitment to delivering a seamless, memorable experience, we'd like to share an update to your itinerary following newly revised port availability. Travel partners are asked to please ensure that impacted guests review this information.

Even the most thoughtfully curated itineraries may require occasional updates, and while these moments can be unexpected, they also create opportunities to reimagine your journey in fresh and meaningful ways. Although we work closely with port authorities to confirm every detail far in advance, circumstances can still shift, and on occasion we are notified that space is no longer available. As fellow travelers at heart, we understand the disappointment changes can bring, and we appreciate your understanding.

As part of this update, Alicante, Spain will replace Cagliari, Sardinia, and Motril, Spain will replace Málaga (Granada), Spain. Alicante welcomes you with palm-lined promenades, golden beaches, and a lively old town crowned by a hilltop castle, an easygoing Mediterranean city that blends history, coastal beauty, and contemporary Spanish flair. In Motril, you'll discover a more intimate gateway to Andalusia, where whitewashed villages, local flavors, and the dramatic backdrop of the Sierra Nevada create a refreshingly authentic sense of place, just moments from the storied Alhambra and the charm of Granada. Please see the updated itinerary below.
