IMPORTANT INFORMATION
Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Pearl for your upcoming cruise departing May 10, 2026. As part of our commitment to delivering a seamless, memorable experience, we'd like to share an update to your itinerary following newly revised port availability. Travel partners are asked to please ensure that impacted guests review this information.

Even the most thoughtfully curated itineraries may require occasional updates, and while these moments can be unexpected, they also create opportunities to reimagine your journey in fresh and meaningful ways. Although we work closely with port authorities to confirm every detail far in advance, circumstances can still shift, and on occasion we are notified that space is no longer available. As fellow travelers at heart, we understand the disappointment changes can bring, and we appreciate your understanding.

As a result of recent updates, the call to Santorini Island, Greece will no longer be part of this voyage. To enhance your experience, we've refined the timing of our visit to Kotor, Montenegro, and we're delighted to introduce Mykonos, Greece, to your itinerary. Mykonos, Greece is renowned for its iconic whitewashed architecture, beautiful beaches, and vibrant atmosphere, offering guests the perfect balance of relaxation, culture, and lively Mediterranean charm. Your updated itinerary is below.
