IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Pearl for your upcoming cruise departing December 13, 2027. As part of our commitment to delivering a seamless and enriching experience, we've made an itinerary adjustment due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

While we coordinate closely with port authorities to confirm every detail well in advance, operational conditions can change, and at times we're informed that space is no longer available. We understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

As a result, the order of our visits to St. John's, Antigua and Philipsburg, St. Maarten has been adjusted. While the sequence of these ports will change, this adjustment provides additional time ashore in both destinations, giving you even more opportunity to explore the unique experiences, vibrant culture, and scenic beauty that make each port so memorable. Your updated itinerary is below.
