IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Prima for your upcoming cruise departing April 4, 2027. As part of our commitment to delivering a seamless and enriching experience, we've made an itinerary adjustment due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

While we coordinate closely with port authorities to confirm every detail well in advance, operational conditions can change, and at times we're informed that space is no longer available. We understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

As a result, our planned call to Barcelona, Spain will no longer be part of this voyage. In its place, we're delighted to introduce Provence (Marseille), France, offering the opportunity to explore charming coastal scenery, rich history, and the renowned flavors of southern France. Additionally, our timing in Palma de Mallorca, Spain has been adjusted. Your revised itinerary appears below.
