**IMPORTANT INFORMATION**

Itinerary Change

Dear Valued Guests and Travel Partners,

We've made an update to your itinerary for the upcoming Norwegian Sky cruise setting sail on January 26, 2026. In addition, the departure time from La Romana, Dominican Republic, has been adjusted from 5:30 p.m. to 4:00 p.m. Travel partners are kindly asked to ensure that impacted guests review this information.

We know that planning a vacation is practically a full-time job. Between researching, coordinating, and cramming everything you might need into a suitcase that barely zips, it's a whole production, and we see you. So when we make an itinerary change, it's never just a line on a map. It's a decision we consider carefully, always keeping your experience at the heart of it.

Every now and then, unexpected changes like port availability can shake up even the best-laid plans. While we work closely with port authorities to lock in every detail well in advance, circumstances may still shift, and sometimes we are informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

With that in mind, we want to let you know that due to updated port availability, we will no longer visit Kralendijk, Bonaire. In addition, our time in port for the scheduled stops in St. George's, Grenada and Tortola, British Virgin Islands, has been adjusted, as shown below. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

The good news? We've extended our visit to St. George's, Grenada, giving you even more time to soak up the vibrant culture, beautiful beaches, and unforgettable experiences this island has to offer. Your updated itinerary is below.
