IMPORTANT INFORMATION
Itinerary Change

Dear Valued Guests and Travel Partners,

We've made an update to Norwegian Sky's itineraries from February 16, 2026, through March 30, 2026. In addition, the departure time from La Romana, Dominican Republic, has been adjusted from 5:30 p.m. to 4:00 p.m. Travel partners are kindly asked to ensure that impacted guests review this information.

We know that crafting the perfect vacation takes more than a little planning. It starts with daydreams of sea breezes, a suitcase packed with more "just in case" outfits than you'll ever need, and a countdown you've been checking daily. So when an itinerary change is necessary, it's never just a line on a map. Every decision is made thoughtfully, with your experience at the heart of it.

With that in mind, our time in port for the scheduled stops in Oranjestad, Aruba, and Tortola, British Virgin Islands, has been extended as shown below. These shifts were made to maximize your time ashore and provide a more seamless, immersive experience.

Please also note that we will now depart La Romana, Dominican Republic, at 4:00 p.m. local time. Your updated itinerary is listed below.
