IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard the Norwegian Sky for your upcoming cruise departing May 28, 2026. As part of our commitment to delivering a seamless and enriching experience, we've made a few itinerary adjustments due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

While even the most carefully planned itineraries may require occasional updates, these moments also offer an opportunity to reimagine your journey in exciting and meaningful ways. Although we work closely with port authorities to lock in every detail well in advance, circumstances can still shift, and sometimes we're informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

As a result, we will no longer visit Newhaven (Edinburgh), Invergordon, and Portree, Scotland, as well as Liverpool and Portland, England. In their place, we're pleased to welcome Greenock (Glasgow), Stornoway, Aberdeen, and South Queensferry (Edinburgh), Scotland, to your itinerary. These destinations offer a diverse representation of Scotland's coastal regions. Greenock serves as a primary gateway to the Firth of Clyde and the western Highlands. Stornoway, located on the Isle of Lewis, features notable island landscapes and a strong Gaelic cultural presence. Aberdeen provides access to the Northeast's architectural heritage, cultural institutions, and surrounding castles and whisky-producing regions. South Queensferry offers a traditional waterfront setting with prominent views of the Forth Bridges near Edinburgh. In addition, the sequence of visits to Belfast, Dublin, and Cork has been modified to align more effectively with port logistics. Your updated itinerary is below.
