**IMPORTANT INFORMATION**

Itinerary Change

Dear Valued Guests and Travel Partners,

We're delighted to welcome you aboard Norwegian Sky for your upcoming voyage departing June 18, 2026. As we prepare for the journey ahead, we'd like to share an important update to the itinerary. Travel partners are asked to please ensure that impacted guests review this information.

While we're always working to bring your dream vacation to life, there are times when a slight course adjustment helps support the best overall guest experience. With that in mind, due to ongoing pier construction in Portree, Scotland, which would result in unsafe tender landing operations, we'll no longer be able to call there. Changes like these are often beyond our control, and we understand how disappointing they may be.

In its place, we're delighted to share that your journey now includes a call to Stornoway, Scotland. Similar to Portree, Stornoway offers a strong sense of place, scenic coastal surroundings, and an inviting gateway to explore the natural beauty and local character of the Scottish Highlands and Islands. Your updated itinerary is outlined below.
