IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard the Norwegian Sky for your upcoming cruise departing July 19, 2026. As part of our commitment to delivering a seamless and enriching experience, we've made a few itinerary adjustments due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

While even the most carefully planned itineraries may require occasional updates, these moments also offer an opportunity to reimagine your journey in exciting and meaningful ways. Although we work closely with port authorities to lock in every detail well in advance, circumstances can still shift, and sometimes we're informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

As a result, we will no longer be visiting Newhaven (Edinburgh), Scotland. Instead, we're pleased to welcome South Queensferry (Edinburgh), Scotland to your itinerary. This new destination offers equally compelling experiences and unforgettable moments ashore, ensuring your cruise remains every bit as memorable as planned. South Queensferry features a charming waterfront, sweeping views of the Forth Bridges, and continued convenient access to Edinburgh's historic center, including the Royal Mile and Edinburgh Castle. In Ringaskiddy, you'll discover a city rich in maritime heritage, industrial innovation, and scenic coastal charm. Additionally, the order of visits to Dublin and Belfast has been adjusted to better align with port logistics, while all other port times remain unchanged. Your updated itinerary is below.
