IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard the Norwegian Sky for your upcoming cruise departing July 9, 2026. As part of our commitment to delivering a seamless and enriching experience, we've made a few itinerary adjustments due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

While even the most carefully planned itineraries may require occasional updates, these moments also offer an opportunity to reimagine your journey in exciting and meaningful ways. Although we work closely with port authorities to lock in every detail well in advance, circumstances can still shift, and sometimes we're informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

As a result, we will no longer be visiting Portree and Newhaven (Edinburgh), Scotland, as well as Cork (Cobh), Ireland. In their place, we're pleased to welcome South Queensferry (Edinburgh), Scotland, and Waterford, Ireland to your itinerary. These new destinations offer equally compelling experiences and unforgettable moments ashore, ensuring your cruise remains every bit as memorable as planned. From the picturesque harbor and historic charm of South Queensferry to the medieval streets and crystal-making legacy of Waterford, this journey offers a perfect blend of scenic beauty and rich cultural heritage, highlighting two unforgettable destinations while still providing convenient access to Edinburgh's historic center, including the Royal Mile and Edinburgh Castle. Additionally, the order of visits to Liverpool, England and Belfast, Northern Ireland has been adjusted to better align with port logistics, while all other port times remain unchanged. Your updated itinerary is below.
