**IMPORTANT INFORMATION**

**Itinerary Change**

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Sky for your upcoming cruise departing August 31, 2026. As part of our commitment to delivering a seamless and enriching experience, we've made a few adjustments to the itinerary due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

While even the most carefully planned itineraries may require occasional updates, these moments also offer an opportunity to reimagine your journey in exciting and meaningful ways. We work closely with port authorities to lock in every detail well in advance, however, sometimes circumstances can still shift, and at times we're informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

As a result, we will no longer be visiting Messina, Italy. We are delighted, however, to introduce Iraklion (Crete), Greece to your itinerary. Iraklion (Crete) offers a rich blend of ancient history, charming seaside views, and vibrant local culture, inviting you to explore iconic archaeological sites, stroll lively waterfronts, and savor authentic Cretan flavors ashore. Additionally, the timing of our visit to Santorini Island, Greece has been adjusted to better align with port logistics. Your updated itinerary is below.
