**IMPORTANT INFORMATION**

Itinerary Change

Dear Valued Guests and Travel Partners,

We are looking forward to welcoming you aboard Norwegian Sky for your upcoming journey departing September 9, 2026. As the sailing approaches, we would like to share an important itinerary update and kindly ask our travel partners to ensure impacted guests review the information below.

While the voyage is still several months away, we believe a proactive approach is appropriate given evolving conditions in the Middle East. As such, we are revising the voyage accordingly, and we will continue to monitor the situation for the safety and security of all aboard.

The sailing, originally planned as a 21-day journey concluding on September 30, 2026 in Dubai, United Arab Emirates, will now operate as an 18-day itinerary ending on September 27, 2026 in Muscat, Oman. The updated itinerary includes an overnight stay in Muscat on September 26, 2026 as outlined below.
