IMPORTANT INFORMATION
Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Sky for your upcoming cruise departing September 9, 2026. As part of our commitment to delivering a seamless experience, we've made an adjustment to the itinerary due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

While even the most carefully planned itineraries may require occasional updates, these moments also offer an opportunity to reimagine your journey in meaningful ways. Although we work closely with port authorities to lock in every detail well in advance, circumstances can still shift, and sometimes we're informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

As a result, we've adjusted the order and timing of our visits to Safaga and Sharm El Sheikh, Egypt, as shown below.

For guests eligible to obtain a visa upon arrival, Norwegian Cruise Line will take care of the arrangements and cover the cost. Guests whose nationalities require a visa in advance will need to secure it prior to embarkation and bring their receipt on board to submit to Guest Services for reimbursement. To determine if you will need to secure your visa in advance, and for a general overview of travel documentation requirements please visit: <https://www.ncl.com/freestyle-cruise/cruise-travel-documents>. All guests must ensure their passport is valid for at least six (6) months beyond the date of embarkation and contains a minimum of two completely blank pages for entry and exit stamps.
