**IMPORTANT INFORMATION**

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Sky for your upcoming cruise departing September 9, 2026. As part of our commitment to delivering a seamless experience, we've made an adjustment to the itinerary. Travel partners are asked to please ensure that impacted guests review this information.

While we're always working to bring your dream vacation to life, there are times when a slight course adjustment is necessary. In this case, our visit to Limassol, Cyprus, has been replaced with an additional day at sea to help ensure a smooth journey and a punctual arrival into Alexandria (Cairo), Egypt. We understand this may be disappointing, but it also means extra time to enjoy even more of the exceptional experiences aboard Norwegian Sky. From spa treatments and gourmet dining to dazzling entertainment and endless ocean views, there's plenty to explore and enjoy.

Additionally, Port Said, Egypt, has been removed from the itinerary to avoid any confusion. This stop is strictly a technical call, which means guests are not able to disembark while the vessel is in port. Your updated itinerary is below.
