**IMPORTANT INFORMATION**

Itinerary Change

Dear Valued Guests and Travel Partners,

We've made an update to your itinerary for your upcoming Norwegian Spirit cruise setting sail on January 28, 2026. Travel partners are asked to please ensure that impacted guests review this information.

We know planning a vacation is practically a full-time job with researching, planning, and cramming everything you might need into a suitcase that barely zips. It's a whole production, and we see you. So, when we make an itinerary change, it's never just a line on a map, it's something we think about carefully, always with your experience at the heart of it.

Every now and then, unexpected changes pop up that can affect even the most carefully planned trip. We've done our best to keep your original itinerary just as it was planned, but occasionally, a few adjustments are necessary.

In this case, Tauranga, New Zealand, is a tidal restricted port, which plays a critical role for ships of our size and draft and requires us to adjust our arrival and departure times. In addition, our time in Napier, New Zealand, has been adjusted to maximize your time ashore and ensure our punctual arrival in Wellington, New Zealand. Your updated itinerary is below.
