IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Spirit for your upcoming cruise departing October 13, 2027. As part of our commitment to delivering a seamless and enriching experience, we've made an adjustment to the itinerary due to port availability. Travel partners are asked to please ensure that impacted guests review this information.

Even the most thoughtfully curated itineraries may require occasional updates, and while these moments can be unexpected, they also create opportunities to reimagine your journey in fresh and meaningful ways. While we coordinate closely with port authorities to confirm every detail well in advance, operational conditions can change, and at times we're informed that space is no longer available. As fellow travelers at heart, we understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

Due to recent port availability updates, the timing of our visits to Bora Bora and Raiatea, French Polynesia, has been adjusted. Additionally, due to unsafe tendering conditions, our visit to Aitutaki, Cook Islands, has been replaced with a day at sea. While we understand this change may be disappointing, this additional sea day offers a rare gift of unhurried time on board, an invitation to settle in, slow down, and enjoy Norwegian Spirit exactly as you wish. Whether that means lingering over a favorite meal, discovering a new corner of the ship, catching a show, or simply watching the horizon roll by, the day is yours to savor at your own pace. Your updated itinerary is below.
