IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We are looking forward to welcoming you aboard Norwegian Spirit for your upcoming journey, now departing March 20, 2027. Please note we have an important update to your itinerary following newly updated port availability. Your voyage, originally planned as an 11-day sailing departing March 21, 2027, has been revised into a 12-day journey, now beginning one day earlier on March 20, 2027. Travel partners are asked to please ensure that impacted guests review this information.

While we coordinate closely with port authorities to confirm every detail well in advance, operational conditions can change, and at times we're informed that space is no longer available. We understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

This voyage will no longer include a visit to Lyttelton, New Zealand. Instead, we're visiting Napier and Timaru, two coastal towns that each offer their own distinct charm. Napier is known for its Art Deco streets, scenic promenades and a lively food and wine scene shaped by the surrounding Hawke's Bay vineyards, while Timaru offers a quieter pace with gentle harbor views, easy-to-reach beaches and a welcoming town center just steps from the waterfront. Additionally, the timing of our visit to Tauranga and our scenic cruising through Doubtful Sound and Milford Sound has been adjusted to better align with port logistics.

All existing pricing, promotions, and packages tied to your reservation will remain fully protected. If you've added prepaid daily service charges, a promotional beverage package, or promotional dining package, those will be price protected based on your original sailing length. You can look forward to an extended vacation with even more unforgettable experiences included. Your updated itinerary is below.
