IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're delighted to welcome you aboard Norwegian Star for your upcoming journey departing October 7, 2026. As part of our commitment to delivering a seamless, memorable experience, we'd like to share an update to your itinerary following newly revised port availability. Travel partners, please ensure that impacted guests have a chance to review the information below.

Even the most thoughtfully planned sailings can occasionally shift course. While these moments aren't always expected, they often open the door to fresh ways of experiencing your vacation, new rhythms, new views, and a little more room to simply relax into the journey. We work closely with port authorities around the world to secure each call far in advance, but from time to time circumstances change and we're informed that space is no longer available. As fellow travelers at heart, we understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

As a result of recent updates, the call to Malaga (Granada), Spain will no longer be part of this voyage. In its place, we're delighted to introduce Motril, Spain, to your journey, offering easy access to the sun-drenched Costa Tropical, charming Andalusian towns, and the cultural treasures of Granada and the Alhambra. Your updated itinerary is below.
