### **IMPORTANT INFORMATION**

#### **Itinerary Change**

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Star for your upcoming cruise departing on April 26, 2026. As part of our commitment to delivering a seamless and enriching experience, we've made an itinerary adjustment. Travel partners are asked to please ensure that impacted guests review this information.

While even the most carefully planned itineraries may occasionally need adjustments, these changes also offer an opportunity to reimagine your journey in exciting and meaningful ways. Due to holiday closures, and to ensure the best overall experience ashore in Le Verdon (Bordeaux), France, we've adjusted our schedule and will now visit this port on May 2, 2026. As a result, our planned stop in La Rochelle, France, will be replaced with a relaxing day at sea on May 1, 2026.

We understand how disappointing such changes can be, and as passionate cruisers ourselves, we truly appreciate your flexibility. The additional sea day gives you more time to relax and enjoy everything Norwegian Star has to offer, from world-class dining and entertainment to breathtaking ocean views. Be sure to check your Freestyle Daily or the NCL app for the latest onboard activities. Your updated itinerary is below.
