IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard for your upcoming cruise with Norwegian Cruise Line. To ensure a smooth start to your journey, we're sharing an update to the itineraries for the January 9, 16, and 23, 2027 sailings aboard Norwegian Star, following newly revised port availability. Travel partners are kindly asked to ensure that impacted guests review this information.

Even the most thoughtfully curated itineraries may require occasional updates, and while these moments can be unexpected, they also create opportunities to reimagine your journey in fresh and meaningful ways. Although we work closely with port authorities to confirm every detail far in advance, circumstances can still shift, and on occasion we are notified that space is no longer available. As fellow travelers at heart, we understand the disappointment changes can bring, and we appreciate your understanding.

As a result of recent updates, the call to Puerto Vallarta, Mexico will no longer be part of this voyage. To enhance your experience, we've refined the timing of our visit to Cabo San Lucas, Mexico and we're delighted to introduce Ensenada, Mexico, to your journey, where you can enjoy its vibrant coastal culture, renowned wine region, and scenic seaside charm. Your updated itinerary is below.
