IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard for your upcoming cruise with Norwegian Cruise Line. To help you prepare for a seamless start to your August 5, 2027, voyage on Norwegian Star, we're sharing an update to your itinerary following newly revised port availability. Travel partners are kindly asked to ensure impacted guests review the details below.

Even the most thoughtfully curated itineraries may require occasional updates, and while these moments can be unexpected, they also create opportunities to reimagine your journey in fresh and meaningful ways. Although we work closely with port authorities to confirm every detail far in advance, circumstances can still shift, and on occasion we are notified that space is no longer available. As fellow travelers at heart, we understand the disappointment changes can bring, and we appreciate your understanding.

As a result, we will no longer be calling on Portree, Scotland and Cork (Cobh), Ireland. In their place, we're delighted to welcome Ringaskiddy (Cork), Ireland, along with a relaxing day at sea. Just 20–30 minutes from Cork City and offering the same easy access as Cobh, Ringaskiddy opens the door to County Cork's rich history, charming streets, and scenic landscapes you know and love. The good news is that all the experiences previously offered ashore in Cork (Cobh) will still be available during our visit to Ringaskiddy, ensuring your time there remains just as special.

We've also fine-tuned the timing of our visits to the remaining ports to help you make the most of your time ashore, with more room to explore, more space to wander, and more opportunities to let each destination unfold naturally around you. Your updated itinerary is below.
