IMPORTANT INFORMATION
Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard for your upcoming cruise with Norwegian Cruise Line. To help you prepare for a seamless start to your September 5, 2027, voyage on Norwegian Star, we're sharing an update to your itinerary following newly revised port availability. Travel partners are kindly asked to ensure impacted guests review the details below.

Even the most thoughtfully curated itineraries may require occasional updates, and while these moments can be unexpected, they also create opportunities to reimagine your journey in fresh and meaningful ways. Although we work closely with port authorities to confirm every detail far in advance, circumstances can still shift, and on occasion we are notified that space is no longer available. As fellow travelers at heart, we understand the disappointment changes can bring, and we appreciate your understanding.

As a result, we will no longer be calling on Portree, Scotland. With the gift of an additional day at sea, you'll have even more time to settle into the easy rhythm of life aboard Norwegian Star, whether that means lingering over breakfast with a view that seems to stretch forever, discovering a new favorite cocktail by the pool, or catching a show that makes your evening feel a little more electric. These unhurried moments often become guest favorites, and we're delighted you'll have the chance to enjoy them.

We have also fine-tuned the timing of our visit to Belfast, Northern Ireland, giving you a little more time to explore this incredible destination. Your updated itinerary is below.
