IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We are looking forward to welcoming you aboard Norwegian Star for your upcoming journey, now departing March 31, 2028. Please note we have an important update to your itinerary following newly updated port availability. Your voyage, originally planned as a 10-day sailing starting on April 1, 2028, has been revised to an 11-day journey, now beginning one day earlier on March 31, 2028. Travel partners are asked to please ensure that impacted guests review this information.

While we coordinate closely with port authorities to confirm every detail well in advance, operational conditions can change, and at times we're informed that space is no longer available. We understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

This voyage now includes a visit to Las Palmas (Grand Canaria), Spain, a vibrant island city known for its golden beaches, year-round sunshine, and the lively charm of its historic old town, offering a refreshing blend of culture and coastal ease. As part of this change, the date of our visit to Funchal, Portugal has been adjusted.

All existing pricing, promotions, and packages tied to your reservation will remain fully protected. If you've added prepaid daily service charges, a promotional beverage package, or promotional dining package, those will be price protected based on your original sailing length. You can look forward to an extended vacation with even more unforgettable experiences included. Your updated itinerary is below.
