**IMPORTANT INFORMATION**

Itinerary Change

Dear Valued Guests and Travel Partners,

We're looking forward to welcoming you aboard Norwegian Sun's January 30, 2026, sailing for an unforgettable journey into Asia. As we prepare for your upcoming cruise, we want to share an important update regarding your itinerary. Travel partners are asked to please ensure that impacted clients review this information.

While we're always working to bring your dream vacation to life, there are times when a slight course adjustment is necessary. In this case, Melaka, Malaysia has been replaced with an overnight call to Port Klang due to unsafe tendering conditions. This early arrival into Port Klang means extra time to soak up everything the destination has to offer, and that comes with an exciting perk. After dark, Port Klang transforms into a vibrant hub of waterfront dining, bustling night markets, and immersive local culture, offering a nighttime experience many travelers never get the chance to enjoy. The revised itinerary is as follows:

Original Itinerary
