**IMPORTANT INFORMATION**
**Itinerary Change**

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Sun for your upcoming cruise departing April 13, 2026. As part of our commitment to delivering a seamless and enriching experience, we've made an itinerary adjustment due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

While even the most carefully planned itineraries may require occasional updates, these moments also offer an opportunity to reimagine your journey in exciting and meaningful ways. Although we work closely with port authorities to lock in every detail well in advance, circumstances can still shift, and sometimes we're informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

As a result, the timing of our scheduled visits to La Digue and Port Victoria, Seychelles, has been adjusted as shown below. The good news is that you'll still visit both of these incredible destinations on your itinerary, just in a slightly different sequence than originally planned. Your updated itinerary is below.
