**IMPORTANT INFORMATION**

Itinerary Change

Dear Valued Guests and Travel Partners,

We've made an update to your itinerary for your upcoming Norwegian Sun cruise setting sail on April 29, 2026. Travel partners are asked to please ensure that impacted guests review this information.

We know that planning a vacation is practically a full-time job, from researching and organizing to cramming everything you might need into a suitcase that barely zips. It's a whole production, and we see you. That's why, when we make an itinerary change, it's never just a line on a map. It's something we consider carefully, always with your experience at the heart of it.

With that said, we want to let you know that our time in port for the scheduled visits to Nosy Be, Madagascar, and Port Elizabeth, South Africa, has been adjusted as shown below. These updates are intended to enhance your time ashore in Nosy Be and help ensure a smooth and timely arrival in Port Elizabeth. As fellow cruisers, we understand how disappointing changes can be and sincerely apologize for any inconvenience.

The good news is that we are still visiting both of these incredible destinations, just at slightly different times than originally planned. Your updated itinerary is listed below.
