**IMPORTANT INFORMATION**

Itinerary Change

Dear Valued Guests and Travel Partners,

We're delighted to welcome you aboard Norwegian Sun for your upcoming voyage departing May 10, 2026. As we prepare for the journey ahead, we'd like to share an important update to the itinerary. Travel partners are asked to please ensure that impacted guests review this information.

While even the most carefully planned itineraries may occasionally require updates to support a safe and seamless experience, these moments can also create opportunities to thoughtfully reimagine the journey ahead. We work closely with port authorities well in advance to finalize every detail; however, circumstances can sometimes shift, and we may be advised that berth space is no longer available. Changes like these are often beyond our control, and we understand how disappointing they may be.

As a result of ongoing pier construction in Luanda, Angola, combined with updated port availability, we'll no longer be able to call there. In its place, we're pleased to reinstate our visit to São Tomé, São Tomé and Príncipe. This welcoming island destination offers a relaxed pace and a rich sense of place, where lush landscapes, colorful streets, and sweeping coastal views set the tone for an unhurried and rewarding day ashore. Your updated itinerary is outlined below.
