IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We've made an update to your itinerary for your upcoming Norwegian Sun cruise setting sail on May 10, 2026. In addition, the departure time from Cape Town, South Africa, has been adjusted from 6:00 p.m. to 4:00 p.m. Travel partners are asked to please ensure that impacted guests review this information.

We know a lot goes into planning the perfect vacation: countless dreams of ocean breezes, way too many shoes packed "just in case," and a countdown clock that's getting harder to ignore. So when we make an itinerary change, it's never just a line on a map. It's something we think about carefully, always with your experience at the heart of it. Every now and then, unexpected changes pop up, such as port availability, that can shake up even the best-laid plans. While we work closely with port authorities to lock in every detail well in advance, circumstances can still shift, and sometimes we are informed that space is no longer available.

With that in mind, we want to let you know that due to updated port availability, our previously scheduled stops in Praia, Cape Verde, and Santa Cruz de La Palma, Spain, have been canceled. In addition, the dates and/or time in port for the scheduled stops in Walvis Bay, Namibia; Abidjan, Ivory Coast; Dakar, Senegal; Funchal, Portugal; and Vigo, Spain, have been adjusted to maximize your time ashore and ensure punctual arrivals at each port. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

The good news? We've added a visit to Las Palmas, Gran Canaria, a vibrant port city known for its golden beaches, lively Old Town, and mix of Spanish and island culture. We've also extended our time in port in Walvis Bay, Namibia; Abidjan, Ivory Coast; Funchal, Portugal; and Vigo, Spain. Your updated itinerary is below.
