**IMPORTANT INFORMATION**

Itinerary Change

Dear Valued Guests and Travel Partners,

We've made an update to your itinerary for your upcoming Norwegian Sun cruise setting sail on September 5, 2026. Travel partners are asked to please ensure that impacted guests review this information.

We know planning a vacation is practically a full-time job with researching, planning, and cramming everything you *might* need into a suitcase that barely zips. It's a whole production, and we see you. So, when we make an itinerary change, it's never just a line on a map, it's something we think about carefully, always with your experience at the heart of it.

Every now and then, unexpected changes arise, like port availability, that can shake up even the best-laid plans. While we work closely with port authorities to lock in every detail well in advance, circumstances can still shift, and sometimes we're informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

With that in mind, we want to let you know that, due to updated port availability, our visit to Klaipeda, Lithuania, has been replaced with a visit to Visby, Sweden. Similar to Klaipeda, Visby offers a rich blend of history and coastal charm, but with the added distinction of being a UNESCO World Heritage Site, known for its remarkably well-preserved medieval walls, cobblestone streets, and centuries-old churches. This picturesque town on the island of Gotland invites you to step back in time and experience one of the best-preserved medieval towns in Scandinavia. Your updated itinerary is below.
