**IMPORTANT INFORMATION**

Itinerary Change

Dear Valued Guests and Travel Partners,

We've made an update to your itinerary for your upcoming Norwegian Viva cruise setting sail on October 19, 2025. Travel partners are kindly asked to ensure that impacted guests review this updated information.

We know crafting the perfect vacation takes more than a little planning. It's built on daydreams of sea breezes, a suitcase packed with more "just in case" outfits than you'll ever need, and a countdown you've been checking daily. So when we make an itinerary change, it's never just a line on a map. It's something we think about carefully, always with your experience at the heart of it.

With that in mind, we've made a few adjustments to the timing of your scheduled stops in Alexandria (Cairo), Egypt, Limassol, Cyprus, Santorini and Rhodes, Greece. These updates are designed to help your time ashore feel more relaxed and allow your journey from port to port to flow more smoothly. Specifically, we've shifted our visit to Santorini to an earlier day on the itinerary, which will help simplify arrival procedures so you can spend less time waiting and more time enjoying the island.

The good news is that we are still visiting all of these incredible destinations, just on slightly different dates or times than originally planned. Your updated itinerary is listed below.
