IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We've made an update to your itinerary for your upcoming Norwegian Viva cruise setting sail on October 9, 2025. Travel partners are kindly asked to ensure that impacted guests review this updated information.

We know crafting the perfect vacation takes more than a little planning. It's built on daydreams of sea breezes, a suitcase packed with more "just in case" outfits than you'll ever need, and a countdown you've been checking daily. So when we make an itinerary change, it's never just a line on a map. It's something we think about carefully, always with your experience at the heart of it.

With that in mind, we've made a few adjustments to the timing of your scheduled stops in Rhodes, Greece, Limassol, Cyprus, and Alexandria (Cairo), Egypt. These updates are designed to help your time ashore feel more relaxed and allow your journey from port to port to flow more smoothly.

The good news is that we are still visiting these incredible ports, just at slightly different times than originally planned. Plus, with added time in Alexandria (Cairo), Egypt, you'll now have even more opportunities to explore this amazing destination. Your updated itinerary is listed below.
