IMPORTANT INFORMATION
Itinerary Change

Dear Valued Guests and Travel Partners,

The itinerary for your upcoming vacation on board Norwegian Viva on August 24, 2025, has changed. In addition, the arrival time in Piraeus (Athens), Greece, is now scheduled for 6:00 a.m. local time. Travel Partners are asked to share this information with impacted guests.

As passionate cruisers ourselves, we understand that a great vacation is about more than just the destinations, it's about how they're experienced. For this reason, adjustments are carefully considered to ensure we make thoughtful changes that enhance the overall guest experience. By leveraging our in-depth understanding of the ports we visit, we strategically adjust itineraries to create a more seamless and immersive journey.

With this in mind, the below changes were driven by port availability notices, combined with arrival and departure time adjustments at various destinations, all intended to maximize your time ashore and ensure punctual arrivals at each port. As a result of these changes, we are pleased to share that we have extended our visits to Volos and Santorini Island, Greece.

The revised itinerary is below:
