IMPORTANT INFORMATION **Itinerary Change**

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Viva for your upcoming cruise departing May 18, 2026. As we finalize plans for your sailing, we've made a small itinerary adjustment due to updated port availability. Travel partners are asked to please ensure impacted guests review the details below.

Even the most carefully planned itineraries can occasionally change. When they do, we see them as a chance to thoughtfully refine the journey, while still delivering the experience you're looking forward to. Although we work closely with port authorities to secure every detail well in advance, availability can shift, sometimes with little notice. These changes are beyond our control.

As a result, our time in port for Santorini Island, Mykonos, and Piraeus (Athens), Greece has shifted. You'll still enjoy all three destinations, just in a different order, giving you time to take in Santorini's iconic views, Mykonos' vibrant waterfront and hidden corners, and the history-rich streets of Athens. Each stop remains very much part of the journey you've been looking forward to. Your revised itinerary appears below.
