IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Viva for your upcoming cruise departing September 16, 2026. As part of our commitment to delivering a seamless, memorable experience, we'd like to share an update to your itinerary following newly revised port availability. Travel partners are asked to please ensure that impacted guests review this information.

Even the most thoughtfully curated itineraries may require occasional updates, and while these moments can be unexpected, they also create opportunities to reimagine your journey in fresh and meaningful ways. Although we work closely with port authorities to confirm every detail far in advance, circumstances can still shift, and on occasion we are notified that space is no longer available. As fellow travelers at heart, we understand the disappointment changes can bring, and we appreciate your understanding.

As a result of recent updates, our planned visits to Messina, Italy and Santorini Island, Greece will no longer be part of this voyage. In their place, we're pleased to welcome Catania, Italy and Mykonos, Greece to your itinerary. Catania brings its own vibrant energy, with a historic city center framed by views of Mount Etna and a lively blend of culture, architecture, and coastal charm. Mykonos offers a bright, easygoing island atmosphere, known for its winding lanes, waterfront cafés, and a relaxed sense of exploration that invites you to enjoy the moment at your own pace. Your updated itinerary is below.
