IMPORTANT INFORMATION

Voyage Cancellation

Dear Valued Guests and Travel Partners,

We are committed to providing exceptional vacation experiences, both aboard our ships and by taking our guests to some of the most sought-out destinations around the world. While we try to maintain original itineraries as much as possible, at times modifications are made to optimize voyages due to changing port availability. As a result of port availability, Norwegian Viva's sailing on November 1, 2027, has been canceled. Travel partners are asked to please ensure that impacted guests review this information.

For guests who had been looking forward to this transatlantic journey from Lisbon to San Juan, we're pleased to offer alternative voyages that capture a similar spirit of exploration, with sweeping ocean crossings and thoughtfully selected ports along the way. Each itinerary offers its own distinctive blend of destinations while maintaining the elevated, immersive experience you can expect throughout your time on board.

Norwegian Viva will redeploy to Miami, offering short getaway sailings to the Bahamas, where she'll return to our private island in the Bahamas, Great Stirrup Cay. At NCL's premier destination, guests can experience "The Great Life" in an entirely new way. Recent enhancements to the island include the Great Life Lagoon, an expansive pool area with two swim up bars, as well as the adults-only Vibe Shore Club. Coming summer 2026, the Great Tides Waterpark featuring 19 different waterslides, a dynamic river, cliffside jumps, and so much more, all designed to make your time ashore feel just as memorable as your time on board.
