IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Viva for your upcoming cruise departing June 23, 2027. As part of our commitment to delivering a seamless experience, we've made an itinerary adjustment due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

While even the most carefully planned itineraries may require occasional updates, these moments also offer an opportunity to reimagine your journey in exciting and meaningful ways. Although we work closely with port authorities to lock in every detail well in advance, circumstances can still shift, and sometimes we're informed that space is no longer available. While some changes may be beyond our control, we know many guests look forward to each destination and understand any disappointment an itinerary update may bring.

As a result, the timing of our visits to Santorini Island and Piraeus (Athens), Greece, has been adjusted as shown below. We look forward to visiting both destinations and sharing all the history, culture, and unforgettable views that make them such memorable stops along your journey. Please see updated itinerary below.
