IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We can't wait to welcome you aboard Norwegian Viva for your upcoming journey, departing August 18, 2027. As we prepare to host you for a voyage filled with fresh discoveries, we'd like to share an important update to your itinerary following revised port availability. Your voyage, originally planned as a 9-day sailing concluding on August 27, 2027, has been expanded into a 10-day journey, now disembarking on August 28, 2027. Travel partners are asked to please ensure that impacted guests review this information.

Even the most thoughtfully curated itineraries may evolve. And while changes can catch us by surprise, they also create space to reimagine the voyage in ways that feel just as meaningful. With that in mind, we'd like to share a thoughtful update to your journey. We're pleased to introduce Livorno, Italy, a charming coastal gateway to Tuscany known for its scenic harbor, relaxed seaside atmosphere, and access to iconic destinations such as Florence and Pisa. As part of this change, the timing of our visit to Salerno, Italy has been adjusted to better align with port logistics.

All existing pricing, promotions, and packages tied to your reservation will remain fully protected. If you've added prepaid daily service charges, a promotional beverage package, or promotional dining package, those will be price protected based on your original sailing length. You can look forward to an extended vacation with even more unforgettable experiences included. Your updated itinerary is below.
