IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We can't wait to welcome you aboard Norwegian Viva for your upcoming journey now departing August 28, 2027. Please note we have an important update to your itinerary following revised port availability. Your voyage, originally scheduled as a 9-day sailing beginning August 27, 2027, and concluding on September 5, 2027, has been refined to an 8-day itinerary now embarking on August 28, 2027. Travel partners are asked to please ensure that impacted guests review the information below.

While we coordinate closely with port authorities to confirm every detail well in advance, operational conditions can change, and at times, we're informed that space is no longer available. We understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

As a result, this voyage will no longer include a visit to Valletta, Malta. As part of this change, the timing of our visits to Salerno and Catania, Italy has been slightly adjusted to better align with port logistics, while all other port times remain unchanged.

To recognize this change, all guests will receive a 12% refund of the original voyage fare paid. All existing promotions on your reservation will be protected. If you've added prepaid daily service charges, a promotional beverage package, or a promotional dining package, rest assured that any applicable package cost will be updated to reflect the reduced sailing length. Please note that any specialty dining meals and Wi-Fi minutes included in your Free at Sea promotional package will also be adjusted accordingly. If your reservation is paid in full, the prorated refund will be processed to your original form of payment within 30 business days. If you have not yet paid in full, the adjustment will be automatically applied to your reservation within that same timeframe. Your updated itinerary is below.
