**IMPORTANT INFORMATION**

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Joy for your upcoming cruise departing July 17, 2026. As part of our commitment to delivering a seamless and enriching experience, we've made an adjustment to the itinerary. Travel partners are asked to please ensure that impacted guests review this information.

While we're always working to bring your dream vacation to life, sometimes a small course correction helps us deliver an even better experience. In this case, we've extended our visits to Juneau and Skagway, Alaska, giving you a little more time to explore these incredible destinations. As part of this change, we've adjusted the timing of our visits to Sitka and Icy Strait Point, Alaska, ensuring a more seamless journey from port to port.

The good news is that you'll still visit all the incredible destinations on your itinerary, just in a slightly different sequence than originally planned. Your updated itinerary is below.
